Work with us as a

About Us:
Trans Plant Mastertrain has been a trusted name in training for over 30 years. Based in Exeter, Devon, we've grown steadily and now employ over 20 staff members, along with a team of skilled contractors. While our roots are in the South West, our work takes us across the UK each week, delivering high-quality training with professionalism, friendliness, and great value.

The Opportunity:
As part of our growth plans, Trans Plant Mastertrain is looking for experienced and qualified **Forklift or Plant Instructors** to join our register of self-employed subcontractors. While most of our work is based in the South West, our national contracts mean we're keen to hear from instructors based anywhere in the UK.

Requirements:
To be considered, you must hold an instructor qualification with at least one of the following accrediting bodies:

- AITT
- ITSSAR
- RTITB
- NPORS

What We Offer:

- Competitive rates, based on your qualifications and accreditations
- Flexible, ongoing work opportunities
- A chance to work alongside with a respected training provider with nationwide reach

If you're passionate about delivering quality training and want to represent a company known for excellence, we'd love to hear from you.
